Giving Makes a Difference: Thank you for Caring and Sharing:

All donations/gifts are a critical part of supporting the center's mission. As costs for patient care, services, and technology continue to escalate, donor gifts help to support and sustain ongoing programs and services, but also allows us to serve all individuals and families, with a special focus on the healthcare needs of the medically indigent and underserved residents of this DeKalb, Rockdale County and metropolitan Atlanta.

Our mission is deeply centered on leading people to healthy lifestyles and improved health outcomes.

Giving to the Oakhurst Foundation demonstrates our commitment to good stewardship and nowhere is stewardship more clear than through philanthropic generosity. The gifts entrusted to us provide safer and the very best care for every patient we serve.

Donors/partners can choose to support us in several ways such as making an unrestricted gift – which our team will direct to the highest priority needs – or you can direct your gift to an area that is especially meaningful to you.

Every gift that we receive is significant – and your support makes a meaningful and measurable difference in providing healthcare in our community every day – “no amount that you give is too small.”

“Please consider making a difference by investing in MedCura Health today.
